EVENTS BROCHURE

/ The world of Information technology is vast, diverse and ever changing, with a near limitless scope of opportunity. In such a field, challenges are at every corner. Does the idea of challenging yourself, pushing beyond your boundaries, and testing your skill sets, energize you? Does pitting yourself against many others like you, excite you? If so.. Welcome, to Syntaxia 2024, your platform to showcase your skills and talents, an IT fest hosted by the School of Information technology, SJU, and brought to you by <INSERT TITLE SPONSORS HERE>*

*Enclosed here are the events hosted under Syntaxia '24. Please make sure to read the event rules and regulations before registering, and we're looking forward to seeing you on the stage! */*
